Aval Oru Thodar Kathai (1975) - IMDb A sarkar, a reverend (Tirupur Manohar) and his wife (Kamala Kameshwari), have a pleasing, well-endowed daughter, Kavitha (Nadhi), who is unable to find a job because of her face. She then begins an affair with Mohan (Suresh), a scoundrel, and falls pregnant. Mohan, who's also got a pretty kid (Jeevan), advises her to terminate the pregnancy and marry him, which she agrees to. This upsets her father, who is happily married to an equally good-looking lady, Nirmala (Sujatha). Kavitha, with the help of her lover and her father's servant, Davar (Anandaraj), plans to have a stillborn child of the couple so that they can get married. Things do not go well for her, and her son is born, but is stillborn. This happens again, and she's forced to divorce Mohan. She keeps calling him up and tells him that the child she has delivered is all right. They get married, but the stillborn gets buried. Not knowing what has happened to her child, he runs away and settles down. She, thinking that her child is alive, searches for him, she succeeds, and he then finally understands. She confides to him that she has found out that she is a twin. Aval Oru Thodar Kathai (1975) - Planat
