### About This Game

Load your guns, start your engines...THE CLASSIC IS BACK! Brought to you from Remedy, renowned developers of Max Payne and Alan Wake, Remedy's Death Rally classic top down racer is back, stronger and more vicious than ever.

This is no Sunday Drive. This is Death Rally, so be prepared to be blown away, literally. Make a run for the finish line with a trail of burnt rubber and spent brass behind you..along with the flaming wreckage of any fool dumb enough to get in your way.

The gameplay is addictive, intense, explosive fun! Win races, upgrade your cars and weapons to defeat incredible boss drivers to beat the story mode. Join the multiplayer! lock and load and enter the Death Rally, humiliate and destroy your opponents or sabotage their race. You choose how you win, NO TRICK IS TOO DIRTY!

### Key Features:

- Experience the fury of Death Rally, hone your skills and prepare to race
- Massive career mode,win events,earn achievements and unlock cars,weapons and challenges
- Multiplayer mayhem, prove yourself against your opponents
- Amazing Iconic tracks in the city, desert, jungle, ice and more. Including a unique track only for PC
- Featuring amazing guest drivers

- 
- Sabotage and Destroy and earn your spot on the Leaderboards
  - Gameplay supports keyboard and controller
